

BANGLADESH UNIVERSITY OF ENGINEERING AND TECHNOLOGY, DHAKA

No: R-4746

Date: 17 May 2021

Admission to Postgraduate Programs Semester: April 2021

Applications are invited for admission to the following postgraduate programs for **April 2021 Semester**. An applicant must complete the online Application Form and upload the supporting documents (as described below) using the postgraduate admission section of the BUET website (<http://pgadmission.buet.ac.bd>) within the period from **20.05.2021 to 28.05.2021 (until 11:59 p.m.)**.

A) Doctor of Philosophy (Ph.D.) Degree Offered by the Departments/ Institutes:

Architecture, Chemical Engineering, Chemistry, Civil Engineering, Computer Science and Engineering, Electrical and Electronic Engineering, Industrial and production Engineering, Mathematics, Mechanical Engineering, Materials and Metallurgical Engineering, Naval Architecture and Marine Engineering, Petroleum and Mineral Resources Engineering, Physics, Urban and Regional Planning, Water Resources Engineering, Glass and Ceramic Engineering, Biomedical Engineering, Institute of Water and Flood Management.

B) Master of Philosophy (M.Phil.) Degree in

Chemistry, Mathematics and Physics.

C) Masters Degree Programs:

(i) M. Sc. Engg./ M. Engg. in Chemical Engineering, Civil Engineering (Environmental), Civil Engineering (Geotechnical), Civil Engineering (Structural), Civil Engineering (Transportation), Environmental Engineering Computer Science and Engineering, Electrical and Electronic Engineering, Industrial and Production Engineering, Advanced Engineering Management, Mechanical Engineering, Materials and Metallurgical Engineering, Naval Architecture and Marine Engineering, Petroleum and Mineral Resources Engineering, Water Resources Engineering, Glass and Ceramic Engineering, Biomedical Engineering, Nuclear Power Engineering, Information and Communication Technology.

(ii) M. Arch. in Architecture.

(iii) M. Sc. in Chemistry, Mathematics, Physics, Materials Science, Glass and Ceramic Science (GCS).

(iv) MURP in Urban and Regional Planning by Course and Thesis.

(v) M. Sc. in Water Resources Development.

(vi) M. Sc. in Management of Technology.

D) Postgraduate Diploma in

Water Resources Development

Important Information

- During the submission of the online application through the postgraduate admission section of the website of BUET, the following supporting documents must be uploaded within the period of **20.05.2021 to 28.05.2021 (until 11:59 p.m.)**.
 1. Scanned copies of certificates of all public examinations.
 2. Scanned copies of transcripts/ grade sheets/ mark sheets of all public examinations.
 3. Scanned copies of testimonial/ character certificate from the institution last attended.
 4. Letter of Consent, in prescribed form, from the employer for applicants in part-time or full-time employment.
- A non-refundable application fee of Tk. 505/- (Five hundred five) must be paid by online methods described on the postgraduate admission section of BUET website.
- Prospectus containing detailed qualification requirements for admission to different programs and information regarding the submission of application is available at the postgraduate admission section of BUET website.
- Applicants in service whether part-time or full-time must apply through their employers for both part-time and full-time enrollments.
- Selection of candidates for admission to a postgraduate program is performed by respective department/ institute. The selection procedure may vary from one department/ institute to another. Candidates are advised to contact the respective department/ institute for information regarding the selection procedure.
- Teaching Assistantships/ Fellowships may be awarded to suitable full-time students.
- Degrees obtained from institutions other than BUET will be subjected to equivalence by appropriate authority of BUET before a candidate is finally selected for admission to a degree/ diploma program.
- **Last date for submission of the application is 28.05.2021 (until 11:59 p.m.) and classes will commence on 24.07.2021.**
- The schedule regarding postgraduate admission may change due to COVID-19 situation. Updated information will be available on the postgraduate admission section of BUET website.

Prospectus for Admission to Postgraduate Programs

Website for Online Application: <http://pgadmission.buet.ac.bd>

A. The postgraduate degrees and diploma offered by different Departments and Institutes for April 2021 Semester are mentioned below.

1. Doctor of Philosophy (Ph. D.) Degree:

Offered by Department/ Institute	
Architecture	Mathematics
Biomedical Engineering	Materials and Metallurgical Engineering
Chemical Engineering	Mechanical Engineering
Chemistry	Naval Architecture and Marine Engineering
Civil Engineering	Petroleum and Mineral Resources Engineering
Computer Science and Engineering	Physics
Electrical and Electronic Engineering	Urban and Regional Planning
Glass and Ceramic Engineering	Water Resources Engineering
Industrial and Production Engineering	Institute of Water and Flood Management

2. Master of Philosophy (M. Phil.) Degree:

Chemistry	Mathematics	Physics
-----------	-------------	---------

3. Masters Degree:

Department/ Institute	Degree Offered
Dept. of Architecture	Master of Architecture
Dept. of Biomedical Engineering	Master of Engineering in BME (Biomedical Engineering) Master of Science in BME (Biomedical Engineering)
Dept. of Chemical Engineering	Master of Science in Chemical Engineering Master of Engineering in Chemical Engineering
Dept. of Chemistry	Master of Science in Chemistry
Dept. of Civil Engineering	Master of Science in Civil Engineering (Environmental) Master of Science in Civil Engineering (Geotechnical) Master of Science in Civil Engineering (Structural) Master of Science in Civil Engineering (Transportation) Master of Science in Environmental Engineering Master of Engineering in Civil Engineering (Environmental) Master of Engineering in Civil Engineering (Geotechnical) Master of Engineering in Civil Engineering (Structural) Master of Engineering in Civil Engineering (Transportation) Master of Engineering in Environmental Engineering
Dept. of Computer Science and Engineering	Master of Science in Computer Science and Engineering Master of Engineering in Computer Science and Engineering
Dept. of Electrical and Electronic Engineering	Master of Science in Electrical and Electronic Engineering Master of Engineering in Electrical and Electronic Engineering
Dept. of Glass and Ceramic Engineering	M.Sc. Engineering in GCE (Glass and Ceramic Engineering) Master of Engineering in GCE (Glass and Ceramic Engineering) Master of Science in GCS (Glass and Ceramic Science)
Dept. of Industrial and Production Engineering	Master of Science in Industrial and Production Engineering Master of Engineering in Industrial and Production Engineering Master of Science in Advanced Engineering Management Master of Engineering in Advanced Engineering Management
Dept. of Mathematics	Master of Science in Mathematics
Dept. of Mechanical Engineering	Master of Science in Mechanical Engineering Master of Engineering in Mechanical Engineering
Dept. of Materials and Metallurgical Engineering	Master of Science in Materials and Metallurgical Engineering Master of Engineering in Materials and Metallurgical Engineering Master of Science in Materials Science
Dept. of Naval Architecture and Marine Engineering	Master of Science in Naval Architecture and Marine Engineering Master of Engineering in Naval Architecture and Marine Engineering
Dept. of Petroleum and Mineral Resources Engineering	Master of Science in Petroleum and Mineral Resources Engineering Master of Engineering in Petroleum and Mineral Resources Engineering
Dept. of Physics	Master of Science in Physics
Dept. of Urban and Regional Planning	Master of Urban and Regional Planning by Course and Thesis Master of Urban and Regional Planning by Course and Project
Dept. of Water Resources Engineering	Master of Science in Water Resources Engineering Master of Engineering in Water Resources Engineering
Institute of Appropriate Technology (IAT)	Master of Science in Management of Technology (MOT)

Institute of Information and Communication Technology (IICT)	Master of Science in Information and Communication Technology Master of Engineering in Information and Communication Technology
Institute of Nuclear Power Engineering (INPE)	Master of Engineering in NPE (Nuclear Power Engineering) Master of Science in NPE (Nuclear Power Engineering)
Institute of Water and Flood Management (IWFM)	Master of Science in Water Resources Development

4. **Postgraduate Diploma:**

Institute	Degree Offered
Institute of Water and Flood Management (IWFM)	Postgraduate Diploma in Water Resources Development

B. Admission Requirements for Doctor of Philosophy (Ph. D.) Degree:

For admission to the postgraduate program leading to a Ph. D. degree an applicant:

- must have a minimum GPA of 3.50 out of 5.00 or a First Division or equivalent in any one of S.S.C. and H.S.C. or in equivalent examinations and must not have a GPA less than 2.00 out of 5.00 or a third division or equivalent in any of the aforementioned examinations.
- must have at least 50% marks or a minimum GPA of 2.50 out of 4.00 or its equivalent in B.Sc. Engg./ four-year B.A. or B.Sc. or B.S. degree/ M.A. or M. Sc. or M. S. or MSS degree/ B. Arch./ BURP in the relevant branch.
- must have a minimum GPA of 2.75 out of 4.00 or its equivalent in M.Sc. Engg./ M. Engg./ M. Phil./ MURP/ M. Arch./ M. Sc. (WRD)/ MBA/ M. Sc. (Thesis)/ M.S. (Thesis) degree in the relevant branch.
- Specific requirements for different Departments and Institutes are listed below:
 - For engineering, the minimum qualification for admission shall normally be an M. Sc. Engg./ M. Engg. degree in the appropriate branch of engineering or its equivalent from any recognized institution.
 - A candidate with an M. Sc./ M.S. degree completed in two semesters with a thesis will have to complete additional 12 credit hours of courses.
 - For Advanced Engineering Management (AEM) in IPE department, the minimum qualification for admission shall normally be an M. Sc. Engg./ M. Engg. in IPE/ AEM or its equivalent from a recognized institution or MBA degree or its equivalent from a public university.
 - For Materials and Metallurgical Engineering, applicants having an M. Phil. in Materials Science or its equivalent from a recognized Institution may also be eligible for admission.
 - For Urban and Regional Planning, the minimum qualification for admission shall normally be an MURP degree or its equivalent from any recognized institution.
 - For Architecture, the minimum qualification for admission shall normally be an M. Arch. degree or its equivalent from any recognized institution.
 - For Chemistry, the minimum qualification for admission shall normally be a four-year Bachelor's degree plus three-semester M. Sc./ M.S. degree with thesis/ four-year Bachelor's degree plus two-semester M. Sc./ M.S. with thesis /M. Phil. degree in Chemistry/ Applied Chemistry/ Biochemistry/ Pharmacy/ Food and Nutrition or its equivalent from any recognized institution.

OR

M. Sc. Engg. in Chemical/ Materials and Metallurgical/ Electrical and Electronic/ Mechanical/ Civil/ Environmental/ Textile Engineering.

 - For Mathematics, the minimum qualification for admission shall normally be a four-year Bachelor's degree plus three-semester M. Sc./ M.S. degree with thesis/ four-year Bachelor's degree plus two semester M. Sc./ M.S. degree with thesis/ M. Phil. degree in Mathematics/ Applied Mathematics or its equivalent from any recognized Institution.

OR

M. Sc. Engg. degree provided he/ she completes some prerequisite courses in Mathematics as determined by the Admission Committee.

 - For Physics, the minimum qualification for admission shall normally be a four-year Bachelor's degree plus three-semester M. Sc. or M.S. degree with thesis/ four-year Bachelor's degree plus two-semester M. Sc. or M.S. degree with thesis/ M. Phil. degree in Physics or its equivalent from any recognized institution.

OR

M. Sc. Engg. degree in Electrical and Electronic Engineering/ Materials and Metallurgical Engineering or its equivalent from any recognized Institution.

 - For Glass and Ceramic Engineering, applicants having an M. Sc. in Glass and Ceramic Science (GCS), Material Science with duration of at least 3 semesters (Eighteen months), or its equivalent from a recognized institution may also be eligible for admission.
 - For Water Resources Development, the minimum qualification for admission shall normally be an M. Sc. Engg./ M. Engg. degree in Civil Engineering/ Water Resources Engineering/ Environmental Engineering/ Agricultural Engineering or M. Sc. degree in Water Resource Development or its equivalent from any recognized Institution.

- For Biomedical Engineering, an applicant with M. Sc. Engg./ M. Engg. degree in other branches of engineering may also be eligible for admission. In such cases, the selected candidate may be required to undertake non-credit prerequisite courses at the undergraduate and/ or postgraduate level as may be determined by the BPGS of Biomedical Engineering (BME) department.
- A student already working for an M. Sc. Engg./ M. Phil./ M. Sc./ M.S./ MURP/ M. Arch./ M. Sc. (WRD) degree at this university and showing excellent progress and promise in thesis work may be provisionally transferred to the Ph. D. degree program after completion of M. Sc. Engg./ M. Phil./ M. Sc / M.S./ MURP/ M. Arch./ M. Sc. (WRD) course work with a minimum GPA of 3.00 out of 4.00 on approval of the Committee for Advanced Studies and Research (CASR) on the recommendation of the relevant Board of Post Graduate Studies (BPGS)/ Research and Academic Committee (RAC).

C. Admission Requirements for Master of Philosophy (M. Phil.) Degree:

For admission to the courses leading to a M. Phil. degree an applicant:

- a) must have a minimum GPA of 3.50 out of 5.00 or a first division or equivalent in any one of S.S.C. and H.S.C. or in equivalent examinations and must not have a GPA less than 2.00 out of 5.00 or a third division or equivalent in any of the aforementioned examinations.
- b) must have at least 50% marks or a minimum GPA of 2.50 out of 4.00 or its equivalent in B. Sc. Engg./ four-year B.A. or B. Sc. degree/ M.A. or M. Sc. or MSS degree in the relevant branch.
- c) Specific requirements for different departments are spelt out in the following sections:
 - For admission to the course leading to the award of M. Phil degree in Chemistry, an applicant must have obtained a four-year B.A/ B. Sc. degree (or equivalent) or M. Sc. degree with Honours in Chemistry (Organic, Physical, Inorganic) or Applied Chemistry or B. Sc. Engineering degree in Chemical/ Mechanical/ Electrical and Electronic/ Materials and Metallurgical Engineering. An applicant with M. Sc. degree but not having a Bachelor (honours) degree in Chemistry or Applied Chemistry should have a first class (or equivalent) in the M. Sc. degree.
 - For admission to the course leading to the award of M. Phil. degree in Mathematics, an applicant must have obtained a four-year B.A/ B. Sc. degree or M.A./ M. Sc. degree with honours in Mathematics or Applied Mathematics. Applicants with M.Sc. degree in Physics or B. Sc. Engineering degree are also eligible provided they complete some prerequisite courses in Mathematics as determined by a Selection Committee. An applicant with M.A./ M. Sc. but not having a Bachelor (honours) degree in mathematics, applied mathematics or physics should have a first class (or equivalent) in the M.A./ M. Sc. degree.
 - For admission to the course leading to the award of M. Phil degree in Physics, an applicant must have a four-year B.A./ B. Sc. degree (or equivalent) with honours or M. Sc. degree in Physics or applied Physics or B. Sc. Engineering in Electrical and Electronic/ Materials and Metallurgical Engineering. An applicant with M. Sc. degree (or equivalent) but not having a Bachelor (honours) degree in Physics or Applied Physics should have a first class (or equivalent) in the M. Sc. degree.

D. Admission Requirements for Masters Degree Programs [(M. Sc. Engg./ M. Engg./ M. Arch./ MURP/ M.Sc. (WRD)/ M.Sc. (Management of Technology)/M. Sc. (Mat. Sc./Chemistry/Math/Physics/GCS)]:

For admission to the courses leading to a Master's degree (M. Sc. Engg./ M. Engg./ M. Arch./ MURP/ M. Sc.) an applicant:

- a) must have a minimum GPA of 3.50 out of 5.00 or a first division or equivalent in any one of S.S.C. and H.S.C. or in equivalent examinations and must not have a GPA less than 2.00 out of 5.00 or a third division or equivalent in any of the aforementioned examinations.
- b) must have at least 50% marks or a minimum GPA of 2.50 out of 4.00 or its equivalent in four years B.A./ B.S./ B. Sc. (Hons.)/ B. Sc. Engg./ B. Tech./ M.A. or M. Sc. or MSS/ B. Arch./ BURP in the relevant branch.
- c) Specific requirements for different departments and institutes are spelt out in the following sections:
 - For admission to the courses leading to the degree of M. Sc. Engg./ M. Engg. in any branch, an applicant must have obtained a B. Sc. Engg. degree in the relevant branch or an equivalent degree from any recognized institution. An applicant with a B. Sc. Engg. degree in other branches of engineering may also be eligible for admission to the courses leading to the degree of M. Sc. Engg. (BME)/ M. Engg. (BME), M. Sc. Engg. (Environmental)/ M. Engg. (Environmental), M. Sc. Engg. (GCE)/ M. Sc. Engg. (AEM)/ M. Engg. (AEM) and M. Sc. Engg. (MME)/ M. Engg. (MME). In such cases, the selected candidate may be required to undertake non-credit prerequisite courses at the undergraduate and/ or postgraduate level as may be determined by the BPGS of Biomedical Engineering, Civil Engineering Department, Glass and Ceramic Engineering Department, Industrial and Production Engineering Department and, Materials and Metallurgical Engineering Department respectively.
 - For admission to the courses leading to the degree of M. Arch. an applicant must have obtained a B. Arch. degree or its equivalent degree from any recognized institution.
 - For admission to the courses leading to the degree of MURP, an applicant must have either a Bachelor's degree in Urban and Regional Planning/ Architecture/ Engineering/ Agricultural

Economics or a four-year Bachelor's degree in Mathematics/ Statistics/ Physics/ Public Administration/ Sociology/ Social Work/ Geography/ Economics or its equivalent from any recognized institution.

OR

Master's degree with Honours in Mathematics/ Statistics/ Physics/ Public Administration/ Sociology/ Social Welfare/ Social Work/ Geography/ Economics or its equivalent from any recognized institution. An applicant not having an Honours degree should have a first class in the Master's degree.

- For admission to the courses leading to the degree of BME, an applicant must have either a Bachelor's degree in Biomedical Engineering/ Computer Science and Engineering/ Electrical and Electronic Engineering/ Mechanical Engineering/ Chemical Engineering/ Materials and Metallurgical Engineering having a minimum GPA of 2.50 out of 4.00 or its equivalent from any recognized university.
- For admission to the courses leading to the degree of M. Sc. Engg. (ICT)/ M. Engg. (ICT), an applicant must have either a Bachelor's degree in Computer Science and Engineering or Electrical and Electronic Engineering or Computer Engineering or Computer Science or Information Technology having a minimum GPA of 2.50 out of 4.00 or its equivalent from any recognized university.

OR

A PG. Dip. (ICT)/ PG. Dip. (IT) having a minimum GPA of 2.65 out of 4.00 or its equivalent from any recognized university plus B. Sc. Engineering degree or Master's degree/ four-year Bachelor's degree in Physics or Mathematics.

- For admission to the courses leading to the degree of M. Sc. (WRD), an applicant must have either a four-year Bachelor's degree in Civil Engineering/ Water Resources Engineering/ Agricultural Engineering/Urban and Regional Planning/ Environmental Science/ Environmental Science and Management/ Soil, Water and Environment/ Geography and Environment/ Geology/ Disaster Management or its equivalent having a minimum GPA of 2.50 out of 4.00 or PG. Dip. (WRD) or its equivalent having a minimum GPA of 2.65 out of 4.00 from any recognized institution.
- For admission to the courses leading to the degree of M. Sc. in Management of Technology, an applicant must pass from a recognized university with any of the following degrees having at least 50 percent marks or a minimum GPA of 2.50 out of 4.00
Four year Bachelor Degree or Postgraduate Degree in Engineering/ Technology, Urban and Regional Planning (URP), Agricultural Sciences, Physical Sciences (Physics and Chemistry), Bio-Science, Computer Sciences, Environmental Sciences, Soil Sciences, Forestry, Architecture (5-year Bachelor's degree) or its equivalent.
- For admission to the courses leading to the award of the degree of M. Sc. (GCS), an applicant must have a four-year Bachelor's degree or a Master's degree with Honours in Physics/ Applied Physics and Electronics/ Electronics and Applied Physics/ Chemistry/ Applied Chemistry/ Applied Chemistry and Chemical Technology/ Chemical Technology and Polymer Science/ Chemical Engineering and Polymer Science/ Geology/ Mining/ Geology and Mining/ Geological Science/ Environmental Science/ Materials Science and Technology/ Glass and Ceramic Science or its equivalent degree from any recognized institution. The selected candidate may be required to undertake non-credit prerequisite courses at the undergraduate and/ or postgraduate level as may be determined by the BPGS of Glass and Ceramic Engineering (GCE) Department.
- For admission to the courses leading to the award of the degree of M. Sc. (Mat. Sc.), an applicant must have a four-year Bachelor's degree or a Master's degree with Honours in Physics/ Applied Physics and Electronics/ Electronics and Applied Physics/ Chemistry/ Applied Chemistry/ Applied Chemistry and Chemical Technology/ Chemical Technology and Polymer Science/ Chemical Engineering and Polymer Science/ Geology/ Mining/ Geology and Mining/ Geological Science/ Environmental Science/ Materials Science and Technology or its equivalent degree from any recognized institution. The selected candidate may be required to undertake non-credit prerequisite courses at the undergraduate and/or post graduate level as may be determined by the BPGS of Materials and Metallurgical Engineering Department.
- For admission to the courses leading to the degree of M. Sc. (Chemistry), an applicant must have a four-year B.S./ B. Sc. (Hons.) degree in Chemistry having a minimum GPA of 2.50 out of 4.00 or at least 50% marks of its equivalent from any recognized university.
- For admission to the courses leading to the degree of M. Sc. (Mathematics), an applicant must have a four-year Bachelor's degree in Mathematics having a minimum GPA of 2.50 out of 4.00 or at least 50% marks or its equivalent from any recognized university.
- For admission to the courses leading to the degree of M. Sc. Engg./ M. Engg. in the Department of Glass and Ceramic Engineering, an applicant must have obtained a B. Sc. Engg. Degree in the field of Glass and Ceramic Engineering or an equivalent degree from any recognized institution. An applicant with a B. Sc. Engg. Degree in other branches of engineering may also be eligible for admission to the courses leading to the degree of M. Sc. Engg. (GCE)/ M. Engg. (GCE). In such cases, the selected candidate may be required to undertake non-credit prerequisite courses at the undergraduate and/ or

postgraduate level as may be determined by the BPGS of Glass and Ceramic Engineering (GCE) Department.

- For admission to the courses leading to the degree of M. Sc. Engg. (NPE)/ M. Engg. (NPE) an applicant must have either a Bachelor's degree in Nuclear Power Engineering/ Electrical and Electronic Engineering/ Mechanical Engineering/ Civil Engineering/ Chemical Engineering/ Computer Science and Engineering or in the relevant branch or an equivalent degree having a minimum GPA of 2.50 out of 4.00 or its equivalent from any recognized university.
- For admission to the courses leading to M. Sc in Physics, an applicant must have at least 50% marks or a minimum GPA of 2.50 out of 4.00 or its equivalent in four years B.A./ B.S./ B. Sc. (Hons.) in Physics/ Applied Physics, Electronics and Communication Engineering, or B. Sc. Engg. in Electrical and Electronic Engineering/ Materials and Metallurgical Engineering or in a relevant discipline.

OR

Having three-year B.A./ B.S./ B. Sc. (Hons.) in Physics/Applied Physics, Electronics and Communication Engineering, or in a relevant discipline must have at least 50% marks or a minimum GPA of 2.50 out of 4.00 or its equivalent in M.A./ M.S./ M. Sc. in Physics or in a relevant discipline.

E. Admission Requirements for Postgraduate Diploma

For admission to the courses leading to a Postgraduate Diploma (WRD), an applicant:

- a) must have a minimum GPA of 3.50 out of 5.00 or a first division or equivalent in any one of S.S.C. and H.S.C. or in equivalent examinations and must not have a GPA less than 2.00 out of 5.00 or a third division or equivalent in any of the aforementioned examinations.
 - b) must have at least 50% marks or a minimum GPA of 2.50 out of 4.00 or its equivalent in B. Sc. Engg./ B. Sc. Ag./ B. Sc. Econ. or B. Sc./ BSS degree/ M.A. or M. Sc. or MSS degree/ BURP degree in the relevant branch.
 - c) Specific requirements for different departments and institutes are spelt out in the following sections:
- For admission to the courses leading to the award of the Postgraduate Diploma (WRD), an applicant must have either a four-year Bachelor's degree in Engineering/ Agriculture/ Physical Science/ Biological Science/ Economics/ Agricultural Economics or an equivalent degree from any recognized institution. An applicant not having a four-year Bachelor's degree must have a Master's degree with honours.

F. Submission of Application

Application for **April 2021** Semester intake will be received within the period from **20.05.2021 to 28.05.2021 (until 11:59 p.m.)**.

Step 1: Submission of Online Application

The facility for the submission of online Application will be available through the postgraduate admission section of the website of BUET (<http://pgadmission.buet.ac.bd>) from **20.05.2021 (9:30 a.m.)** The deadline for the submission of online Application Form on the website is **28.05.2021 (until 11:59 p.m.)**.

An applicant must fill in electronically the information related to admission (Desired Program, Status of Studentship, etc), his/her personal information (Name, Father's Name, Mother's Name, Date of Birth, Addresses, Gender, Nationality, etc), his/ her academic information, his/ her experience (if any), names and addresses of two referees.

To upload your digital photograph (Maximum 50 KB Size; 120 pixel Width and 150 pixel Height), simply locate your image file by clicking the Browse button. The photograph to be submitted online should be in any of the .JPG, .JPEG, .GIF, .PNG, or .BMP formats, although .JPG format is preferred. Most digital cameras and scanners on the market today utilize this format. If you are in doubt, submit the photo and you will receive a notice if it does not meet the necessary criteria.

After filling in all necessary data in the online Application Form on the website, the applicant must electronically submit the Form including the following documents:

- i. Scanned copies of certificates of all public examinations.
- ii. Scanned copies of transcripts/ grade sheets/ mark sheets of all public examinations.
- iii. Scanned copies of testimonial/ character certificate from the institution last attended.
- iv. Letter of Consent, in prescribed form, from the employer for applicants in part-time or full-time employment.

Step 2: Payment of Application Fee

A non-refundable application fee of Tk. 505/- (Five hundred five) must be paid by online methods described on the postgraduate admission section of BUET website.

Step 3: Submission of the Complete Application

The complete Application Form as described in **Step 1** including all necessary supporting documents and Payment of Application Fee as described in **Step 2** must be submitted through online by **28.05.2021 (until 11:59 p.m.)**.

Failure to submit the same will result in cancellation of your online submission.

Please note that the Application submitted by mail will NOT be accepted.

G. Other Important Notes to Applicants

- If you experience technical difficulty when applying online, please email to pgadmission@iict.buet.ac.bd. For other questions about applying for graduate study at a department/ institute of BUET, please contact the respective department/ institute.
- This Prospectus is also available at postgraduate admission section of BUET website.
- Applicants in service must apply through their employers for both part-time and full-time enrollments.
- ***Incomplete applications will not be accepted.***
- ***Applications submitted by mail will not be accepted.***
- Selection of candidates for admission to a graduate program is performed by the respective department/ institute. The selection procedure may vary from one department/ institute to another. Candidates are advised to contact the respective department/ institute for information regarding the selection procedure.
- Teaching Assistantships/ Fellowships may be awarded to suitable full-time students.
- Degrees obtained from institutions other than BUET will be subjected to equivalence by appropriate authority of BUET before a candidate is finally selected for admission to a degree/ diploma program.

Last date for submission of the application is 28.05.2021 (until 11:59 p.m.) and classes will commence on 24.07.2021.

- The schedule regarding postgraduate admission may change due to COVID-19 situation. Updated information will be available on the postgraduate admission section of BUET website.
